(Choose two)A.   User IDB.   Password **Answer: AB**New QuestionsWhich three rules are valid transfer rules in Cisco Unity Connection? (Choose Three)A.   StandardB.   AlternateC.   ClosedD.   holidayE.   nonstandardAnswer: ABCExplanation:Standard Transfer RuleThis transfer rule applies during the work hours that your Cisco Unity administrator specified for your organization, or in other situations when no other transfer rule is enabled. By design, the standard transfer rule cannot be disabled.Alternate Transfer RuleEnable this transfer rule to apply during a specific time period when you want to override the other transfer rules. For example, you may want to route all your calls directly to voice mail while you are out of the office or you may want to transfer your calls to a different extension if you are temporarily working from another location. As long as it is enabled, the alternate transfer rule overrides all other transfer rules. Closed Transfer RuleEnable this transfer rule if you want Cisco Unity to perform different transfer actions during the nonwork hours that your Cisco Unity administrator specified for your organization. (For example, you may want to route all your calls directly to voice mail during nonwork hours.) As long as it is enabled, the closed transfer rule overrides the standard transfer rule during nonbusiness hours.**http://www.cisco.com/en/US/docs/voice_ip_comm/unity/5x/user/guide/assistant/ex/cuugass te070.html**New QuestionsHow fast can Cisco Unified Communications Manager generate CDR and CMR files?A.
